

# Celebrating Empowered Women at Ropstam Solutions

In honor of International Women's Day, Ropstam Solutions organized a memorable event that transcended beyond mere celebration. The day was dedicated to the mental health of our female employees, with a seminar led by renowned psychologist Rubab Hassan at our Islamabad office. The event was not just about awareness but also about empowering our staff with tools to maintain their mental well-being.

In our Lahore office, the female employees embraced a unique opportunity to showcase their artistic talents. A special painting activity was arranged, and the team members actively participated, thoroughly enjoying the chance to express themselves creatively.

This engaging activity fostered team spirit and camaraderie, proving to be a highlight of the event.

## RAMADAN BLISS WITH ROPSTAM SOLUTIONS

Ropstam Solutions marked the beginning of Ramadan with a festive spirit, celebrating the holy month in grand style. This event was in line with the company's policy of conducting extra-crucial activities to promote work-life balance.

To kickstart the event, our team leads and project managers shared their Ramadan vows, highlighting personal and professional growth, empathy, and a renewed commitment to enhanced spirituality.

In the spirit of giving back during Ramadan, Ropstam extended its generosity beyond the company walls. Throughout the holy month, both our Lahore and Islamabad offices hosted daily "Iftar Dastarkhwan" for the underprivileged, enabling the poor and needy to break their fasts without worrying about any incurred costs.

Additionally, as a token of appreciation for our employees' dedication and to support their spiritual journey, we presented specially curated Ramadan boxes. Complete with prayer mats and thoughtful essentials, these boxes symbolized our collective commitment to the spirit of Ramadan – reflection, compassion, and shared experiences.

To recognize their dedication, our maintenance team received a heartfelt token of appreciation – Ration Boxes filled with essential supplies to last the entire month.

## BIRTH CELEBRATIONS OF EMPLOYEES' BABY BOYS

At Ropstam, we see our team as an extended family, and we celebrate every milestone together. In the month of March, we were thrilled to share the joy of two new additions to our extended Ropstam family, the baby boys of **Muhammad Waqas** and **Ateeq Javed**. As the news was shared, our Islamabad office buzzed with excitement, decorations were made, and everyone felt the joy of new fathers.

Our tradition of celebrating joy was in full swing, with the event formally commencing under the guidance of our Operations Manager, **Amjad Mahmood**. As a token of our appreciation, both Waqas and Ateeq received customized gifts, a testament to our family-oriented culture at Ropstam.
