## HONORING HEART, HUSTLE & HUMAN CONNECTION

From giving back to the community, celebrating the core of our workplace culture, and connecting with future talent, to honoring the beautiful bond of motherhood, this month was full of purpose.

### LABOR DAY, RESPECT IN ACTION

This Labor Day, the Ropstam team stepped out to give back, distributing rashan boxes to hardworking laborers as a token of gratitude. In return, we received smiles, stories, and a deeper bond with our community. At Ropstam, we believe appreciation builds stronger workplaces and even stronger communities.

### HR DAY, CELEBRATING THE PEOPLE BEHIND THE PEOPLE

On HR Day, we celebrated the amazing team behind our people-first culture. Over a cheerful lunch, we thanked the HR heroes who keep us connected, supported, and growing every day. Here's to the heart of Ropstam, our HR team!

## MOTHER'S DAY, STORIES FROM THE HEART

To mark Mother's Day, we turned the spotlight toward the warmth, wisdom, and wonder that only mothers bring. We invited our team to reflect, laugh, and share through fun, heartfelt, questions about their moms, creating a touching tribute that beautifully blended sentiment, nostalgia, smiles, and a few happy tears.

It became more than just a celebration, it was a reminder of the love that builds us, the strength that guides us, and the memories that stay with us forever. A beautiful collection of moments that reminded us all of the quiet resilience and love.

## INSPIRING THE FUTURE AT JOB FAIRS

This May, our talent team visited **NUML Rawalpindi, COMSATS Islamabad, and HITEC Taxila**, connecting with the bright minds of tomorrow at dynamic job fairs. These weren't just recruitment events, they were opportunities to inspire, engage, and share Ropstam's vision with future innovators.

From giving back to celebrating our incredible people, May was a month filled with purpose, inclusion, meaningful moments, and genuine connection. Here's to the bonds we strengthened, and the inspiring journey we continue together.
