

New Year Dinner

To welcome the new year, Ropstam hosted a heartfelt New Year Dinner, bringing together team members from all departments for an evening of gratitude, recognition, and togetherness. The event commenced with a soulful recitation from the Holy Quran, setting a blessed and reflective tone for the night.

A key highlight of the evening was the series of presentations from each team, where one representative shared their department's major achievements, milestones, and success stories from the past year. These presentations showcased the hard work, collaboration, and innovation that continue to define Ropstam. The celebration also featured a special round of promotions, recognizing team members who demonstrated exceptional performance, growth, and dedication. This moment of appreciation reinforced Ropstam's commitment to rewarding excellence and supporting professional development.
