

# RAMZAN Kareem

A key highlight of our Ramzan Kareem observance at Ropstam was the distribution of carefully packed date boxes to every colleague, turning break-times into shared moments of reflection and togetherness. As team members opened the boxes and exchanged smiles before Iftar, the simple act showcased the generosity, empathy, and community spirit that continue to define our culture during this blessed month.

The celebration also featured a special gesture of gratitude, as rashan boxes filled with essential groceries were presented to our office boys in recognition of the quiet dedication they bring to Ropstam each day. Captured in candid photographs hands meeting over the gifts, genuine smiles, and warm conversations these moments of happiness reinforced Ropstam's commitment to supporting every member of our workplace family and extending care beyond our desks.

## Celebrating Milestones Together

This February, we proudly honor the journeys of **Mahnoor Javed, Muhammad Usman, Muhammad Sohaib, and Mehwish Hafeez** as they mark another work anniversary with Ropstam. Their steadfast dedication, creativity, and drive have been cornerstone to our progress and client success. More than personal landmarks, the years they've invested with us celebrate the spirit of collaboration and our shared pursuit of excellence that powers Ropstam forward.
