

## Embracing the Spirit of Eid ul Fitr

Eid ul Fitr brought a sense of joy, gratitude, and togetherness to our workplace. It was a time to celebrate the spirit of giving, strengthen bonds, and share moments of happiness with one another. The occasion reminded us of the importance of kindness, unity, and appreciation—values that continue to shape our culture at Ropstam every day.

The warmth and positivity of the occasion created an uplifting environment for everyone. Moments like these bring us closer as a team.

# Caring Beyond Work: SILA Project

Through the SILA Project, we embraced the true spirit of sharing and caring by organizing an Eid distribution at a school. This initiative was a small step toward spreading joy and supporting the community, especially among children. Seeing the smiles and excitement on their faces was a reminder of the impact even simple acts of kindness can create. It reinforced our belief that giving back is not just a responsibility, but a meaningful way to stay connected to the community around us.
